Coronavirus Update

At Sturgis Bank, we value our customers, communities, and employees. The Bank is open for business, although we will be temporarily suspending access to our lobbies, starting March 19th at 3:00pm. Like other banks, we now have an appointment format for lobby business. Customers needing new accounts, safe deposit box access, trust services. or loans are encouraged to call for an appointment. Staff members are available for all of your banking needs and are prepared to help our customers in many different formats. We encourage our customers to utilize the drive-up facilities, night drops, ATM's, Mobile Banking and Internet Banking products. Customers at higher risk or with special needs are welcome to contact us, so we can make arrangements to help you.

Remember, while this health issue is sweeping the nation, this is not a financial crisis. Your funds are safe with us and remain accessible to you.

If you have any questions or would like to schedule an appointment, call 269-651-9345 or your local Banking Center.

We are closely monitoring the situation and will provide updates on www.sturgis.bank.

Stay healthy and safe.

Sincerely,

Eric L. Eishen

President & CEO
